splendid street in existence. How can a ter \$18—all \$\fon \text{ of 2,000 Bs.} \ \ FLOUR—Is without material change since our last. The market is fully supplied with all grades of Northern and Western brands, and we better, if you have a large map of the less practiced hand attempt to write of it. preserver of health. It has become a household less practiced hand attempt to write of it.

FLUR—Is without material change since our last. The market is fully supplied with all grades of Northern and Western brands, and we quote a moderate demand for jobbing lots. See table for store rates. State brands are in light stock, but sufficient for the meagre demand. We quote at \$7 25@\$7 50 for superfine.

First—Mullets are rather scarce, and a lotter demand exists. No receipts, and cargo price is nominal at \$6. From store we quote as selling at \$6. 50@\$7 for pice, and \$9 for oak barrels.

Grades of Northern and Western brands, and we remain the fact that it gives immediate and permanent relief. It is a purely vegetable preparation, made from the best and purest materials, safe to keep and to use in every family. It is recommended by physicians and permons of all classes, and to-day, after a public trial of Lake Erie, on the site of Cleveland. The south shore is almost a straight line for iffty miles each way from the entrance, and the entrance itself is but a little creek and the entrance itself is but a little creek not wider than Market street, Wilmington.

The Steamers and other vessels crowd up times its cost. quote as nominal at 90 cents @\$1. There is a The Steamers and other vessels crowd up fair stock in dealers' hands, and we notice mere-ly a retail demand, which is being supplied from it for about two miles on the left or east store, in quantities to suit, at \$1 10@\$1 15 for branch, and a mile or more on the west mixed, and \$1 20 ? bushel—highest price including sacks.——Oars—Supply in dealers' branch. No vessels lie in the Lake, and hands very good, and demand light, bell from there is no pier along the shore. The breakers roll on a smooth sandy beach, as We quote by the quantity at \$1 15@\$1 25 # they do on the banks at Wrightsville, and bishel for Cow .- - - Rics - Clean is in moder-ate request for retailers' purposes, and scarcely there is almost always the long, heaving, ting married, with sanitary help for those who restless, swell of the sea. At times, however, Hay Is in light stock, and a fair demand ex- it would rival Waccamaw with its quiet glassiness. The Lake is over 200 miles long, 60 wide and averages about 350 feet in depth, being the shallowest of the great menced to speak of the river.
